GUEST SPEAKER ON "FANS & PARASOLS"

Mrs. Nancy Lee Gaucher of Rochester will be the guest speaker on Wednesday, March 15th, at 8:00 P. M. in the Museum on Church Street, Mattapoisett. Her subject will be "Fans and Parasols".

Fans were indispensable accessories to the wardrobes of well dressed women of the eighteenth, nineteenth and the very early twentieth centuries. Opera divas couldn't sing without them and presidents' wives used them to complement their costumes. Many of these lovely fans were brought home from exotic ports of call by whalers to loved ones. Fans have always brought a bit of

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it's new customers we are looking for.

Council on Aging

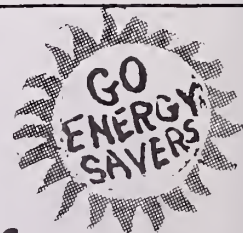

May we again remind you that the ad listing all the bus and Minibus trips in March appeared in last week's Presto Press (March 1). We hope you cut it out to keep for reference for this month.

Now we wish to inform you of two additional trips that have been requested. On Friday night, March 10th, and again on Friday night, March 17th, we have scheduled our Minibus to take Seniors to see "Finian's Rainbow" as performed by The Gateway Players at the Wareham Town Hall. Make your reservations in the usual way by calling the Town Hall and asking for the Council on Aging on Monday (Tuesday if Monday is a holiday) and Thursday between 10:00 A.M. and 12 Noon, or better yet, go into the Town Hall to the Selectmen's Office (first floor) where you can pay for your ticket at the same time. You will probably find tickets for the first week sold out, but seats are available for the following week, and if the Minibus is filled, we will try to arrange additional transportation by cars. Tickets are specially priced for Seniors, but must be ordered in advance.

Please call or come in only within the specified hours, and, please do not call members of the Council on Aging or other former telephone volunteers for reservations. We do not have the lists for reservations and do not know what is available. In a pinch you can send a note and a check to the Council on Aging if you cannot call at the requested time.

There are still a few seats left on the big bus for the Flower Show in Boston on March 14th, but get your reservation and ticket money in at once; otherwise you will have to pay full price and may not have transportation.

Please note one other change. We have been given permission to meet at the St. Anthony's Church parking lot on the two Friday nights when we leave to see the Gateway Players in Wareham. The location is better lighted and more centrally located. The time of departure is still 7:00 P.M. We were privileged to hear several of the cast of the Gateway Players perform after Thursday's luncheon at the Nutrition Program at the Legion Hall on Depot Street. They have promised to return in two weeks (Thursday, March 16th) with a different type of performance. Those of us who heard them will certainly want to attend "Finian's Rainbow".

Poor Children's Supper

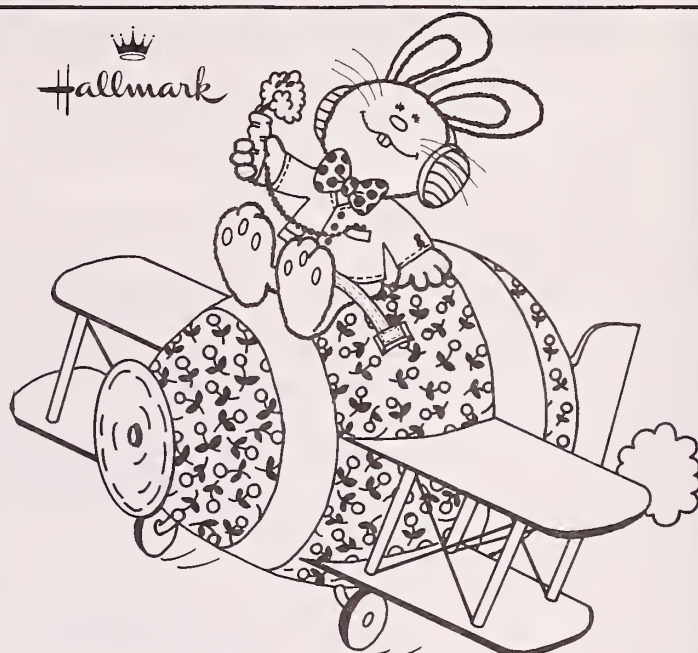

POOR CHILDREN'S SUPPER TO BE HELD

Some of our local youngsters have decided to do something about a problem affecting a quarter of the world's children - hunger.

On Sunday, March 12th, the Junior Endeavor Youth Group will host a "Poor Children's Supper" at the Vestry of the First Congregational Church in Rochester Center at 5:00 P.M. At this meal, guests will partake of food that may seem unappealing by our standards, but would be a feast to children around the world. The guests will have more insight on how it feels to be really hungry and will learn how they can help a child if they so choose.

The Junior Endeavor sponsors a nine year old Indonesian boy through the worldwide agency "Christian Children's Fund" whose motto is "For the love of a hungry child". CCF is the largest non-sectarian non-profit child care agency. The meal cannot be guaranteed to be filling but it will be free of charge and the Junior Endeavor isn't asking

for donations either. They will simply pass out literature about CCF, and a selected

TOWN OF MATTAPOISETT, MASSACHUSETTS

WATER DEPARTMENT 33 CHURCH STREET

MEMORANDUM FOR MATTAPOISETT RESIDENTS

Postcard forms have been mailed to those residents who use town water service and who own the home in which they live, in order that the water meter reading may be recorded thereon and mailed to this Department. The card is prepaid, addressed and ready to enter the reading in the blocks provided, sign and mail. Will you please complete yours now? The success of this "reading by mail" project rests on the early return of this information.

We have not included commercial buildings, those occupied by tenants, those whose meters are read from the outside of the building and those few who were either unable or chose not to participate in this program.

The following information is furnished for those who may not have noticed the water meter before this:

1. Meter usually located immediately after the water shut-off valve where the pipe enters the cellar.

2. A small hinged cover must be lifted to expose the meter dial.

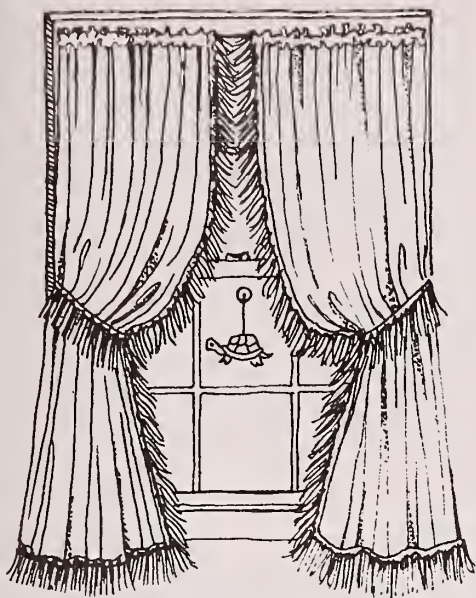

3. Numbers appear in a straight line, similar to the mileage indicator on your car speedometer. The needle (hand) on the dial is to be ignored as it merely breaks a cubic foot down to fractions.

Should anyone have difficulty in locating, identifying or reading the meter, please call telephone number 3551 and we will arrange to assist you as quickly as possible.

Respectfully yours,

Charles A. Morgan, Supt.
